

How to find *The Chocolate Factory* from...the Mumbles

The Chocolate Factory is located on the Swansea West Industrial Park in Fforestfach. This is just off the A483, known as the Carmarthen Road on the North West side of Swansea.

From the Mumbles head East towards Swansea along the A4067 (Mumbles Road) towards Swansea City Centre.

At Blackpill the road widens into a dual carriageway, just by the Woodman Inn.

Proceed along the Mumbles Road A4067 till you come to the first set of major traffic lights. (Land marks. You will pass a municipal golf course on your RHS and the King George V playing fields on your LHS.)

At this set of lights you will need to get into the left hand filter lane and turn left onto Sketty Lane A4216, you are not controlled by the lights at this junction to turn left.

Proceed up Sketty Lane, you will pass Singleton Hospital on your RHS. After the traffic lights at Singleton Hospital, get into the RH lane.

You should now see signs for Carmarthen M4, follow these signs.

At the top of Sketty Lane you will come to a mini round about, take the second exit.

Follow the road for about 200-300 yards and,

At the next set of traffic lights you will turn right, you are now on Dillwyn Road.

At the end of Dillwyn Road is another set of lights, (landmarks The Vivian Arms on the LHS and The Bush Inn on the RHS on the other side of the lights). Go straight through these lines and you will now be on Vivian Road.

You will go up a fairly steep hill, over a mini roundabout and at the top of the hill there will be a double mini roundabout.

At these mini roundabouts, turn left following signs to Carmarthen M4. You are still on the A4216 (Cockett Road)

Follow this road, you will pass a Shell Garage on your RHS before going down a steep hill. At the bottom of this hill you will go straight through a set of traffic lights and up another hill.

At the top of this hill you will pass St.Peters Church (Church of Wales) on your RHS. Going down the hill on the other side you will need to get into the RH lane to go through the next set of lights.

Proceed along what is now Station Road, which after a few hundred yards splits into three lanes, you should get into the LH lane to turn left at the next set of lights.

At these Traffic lights you will see The Marquis Arms on your LHS.

Turn left onto the A483 (Carmarthen Road) and stay in the LH lane.

At the next set of traffic lights there is an American Golf shop and a Majestic wine merchant on your LHS, there is the Star pub on the RHS and on the other side of the lights, a Texaco garage. There is also a sign, 'Swansea West Industrial Park'

Turn left at these lights and you are now on the Kingsway!

The road bends to the left and you will pass Hurns/Tomas Watkins depot on your LHS. Follow the road over the brow of the hill and we are on the LHS.

It is approximately miles from the Mumbles to *The Chocolate Factory!*

We look forward to meeting you,
